- 1) Started meeting with play date, gave all boxers a chance to socialize and burn off energy.
- 2) Official business discussed, Mary Clarose was hired to be our show secretary for specialty Nov. 1. BCOH secretary filling out AKC paperwork. By-laws still under revision. I hope to have a working draft by our June meeting.
- 3) Treasurer gave detailed financial report, complete with pie graphs and charts explaining our financial status. And, the good news is we are an official 501c7 non-profit, making filing for taxes much easier. Breakdown of all 2009 expenses YTD for club discussed to include club insurance, Web site, ABC and specialty fees, and charity donation.
- 4) Ron Stebbins gave agility demonstration and boxers were given the opportunity to run the dogs through the course. Thanks Ron!
- 5) T-shirts were a hit, eight more purchased. Thanks for your support!
- 6) Meeting adjourned at about 10:15 a.m.

Next meeting will be in late June. More information later, but a thought is to have this meeting at someone's house or coffee shop. This will be without boxers to discuss details on the specialty Nov. 1. Topics will include types of prizes, ways to make the show fun, soliciting new entries and other fundraiser ideas for 2009. Feel free to wear your boxer pride with boxer apparel or bring photos of your boxer. Another agenda item would be if we want to purchase a holter monitor for the club.

Upcoming To-do list for BCOH Secretary:

- 1) Fill out all paperwork for specialty.
- 2) Revise by-laws.
